

Can you be a Friend to the Henfield Haven?

By donating as little as £5 a month and becoming a Haven Friend you will be providing invaluable support to vulnerable people and those living with dementia in the Henfield area.

We've always believed in the power of community, especially in such a special place as Henfield, which proves time and again why we are lucky to live here!

The Henfield Haven was saved from closure (for a second time!) by the combined efforts of our incredible village. During Covid, people came together to support us and make sure this essential and special place was secure.

We're pleased to say our future is, for the moment, safe. This is down to your generosity and the immeasurable efforts of our volunteers. Not only that, but we are pushing ahead; providing even more services and more happy days for those people in our community who have suffered the worst during the recent pandemic lockdowns.

Our journey is ongoing...

The Henfield Haven needs security and ongoing, day-to-day support to keep providing this safe haven for vulnerable people. Just a small amount each month will help cover our running costs. Then we can truly feel sure that the Haven will be safe for future generations.

Go to www.henfieldhaven.org/donations.html and follow the links to become a Friend of the Henfield Haven by donating just £5 a month, £10 a month or £25 a month.

By joining us as a Friend you will be playing a huge part in securing the future of the Henfield Haven, for generations to come.

Thank you.
